Why Calypso is the Wise Choice for Your Store

Calypso Cards publishes and distributes a wide variety of greeting cards by artists from all over the world. We cover all everyday occasions and seasonal holidays too, offering contemporary art, funny cards, and heartfelt messages for those times when we need a little help expressing our feelings.

Excellent value with suggested retail prices at \$4.25 - \$5.95, including glitter and foil finish.

Cards come cello-sleeved which means they stay clean and the envelope remains with the card it is intended for.

All cards are **bar-coded** by sku.

Header cards are available on request, as are re-order cards.

- Header cards denote the occasion,
- Re-order cards are header cards with the sku written in to make re-ordering easy.

Make your own selection or allow us to customize for your store.

Order at your convenience:

- with your local rep
- from our catalog
- online at www.calypsocards.com
- Through Faire using our direct link faire.com/direct/calypsocards (remember if you usually work with a rep, in order for them to get credit you must use this direct link)

The Environment: We adopt environmentally friendly products, such as recycled or FSC-certified paper and vegetable inks, and procedures whenever possible, while maintaining our commitment to quality. **Our own publications are printed using 100% wind power.** Glitter cards published by Calypso use biodegradable glitter. Our sleeves are recyclable ♻️. **Our own publications are produced in the USA. Our distributed lines come from the USA and the UK.**

Our annual catalog runs from January to December, with a supplement in May.

Winter Holidays, including Christmas, Hannukah, Halloween, Thanksgiving and New Year cards can be found in our **Holiday catalog**. **Also on our website.**
