HANDMADE

GROWING UP MAKING TROPHIES IN A
FAMILY SPORTS STORE, THE CUT SCRAPS
OF METAL CAUGHT MY IMAGINATION.

LATER IN LIFE I STUDIED THE IMPORTANCE
OF REMINDING OURSELVES OF TRUTH
AS A DAILY SELF CARE PRACTISE.

FROM MY FAMILY BUSINESS
BACKGROUND AND MY NEW
PASSION TO ENCOURAGE OTHERS,
GIFTOLOGIE WAS BORN.

OUR STUDIO IS IN NIAGARA FALLS, ON
AND EMPLOYS AN ARMY OF WOMEN
WITH THE SAME VISION.

Giftologie™ will provide a variety of quote sets from the following options

Friends

We will always be friends,
until we're old and senile.
Then we can be new friends

We have to stay friends,
you know too much about me
to let you live otherwise.

The best memories come from
bad ideas done with best friends.

Authentic

Be yourself.
Everyone else is taken.
-Oscar Wilde

Beauty begins the moment
you decide to be yourself.
-Coco Chanel

Why fit in when you were
born to stand out?

Strong

You can't always be strong,
but you can always be brave.

You didn't come this far
to only me this far.

Life is tough, my darling,
but so are you.

Bookworm

Just one more chapter.

I read past my bedtime.

If my book is open,
your mouth is closed.

Teacher

The influence of a good
teacher can never be erased.

You are #1 in my books.

Thank-you for being
part of my story.

Bright Future

Here's to the next chapter!

Write your own story.

Adventure awaits

Giftologie™

The flowers that flourish tomorrow
are the seeds you planted today.

What if I fall?
Oh, but my darling what if you fly?

If you want to fly,
give up everything that weighs you down.

Life is a story.
Write well.
Edit often.

Life is either a daring adventure,
or nothing at all.
- Helen Keller

Authenticity is knowing who you are
and being brave enough to live it.

Life is tough, my darling, but so are you.

You've always had the power my dear,
you just had to learn it for yourself.
-The Wizard of Oz

Enjoy the little things in life...
for one day you'll look back & realize they were the big things.

Live simply, dream big,
be grateful, give love.

Before anything else, find yourself,
be yourself and love yourself.

Sky above, earth below, peace within.

Always bring your own sunshine.
