SPRING 2026 COLLECTION

A Letter from the CEO

peepers community,

As we welcome the Spring season, I want to extend my sincere gratitude for your continued partnership and enthusiasm for what we create together. Your passion for bringing Peepers into your store, and into the hands of your customers, inspires our team to keep moving forward with curiosity and purpose.

This season, our collection embraces the art of contrast: playful yet polished, nostalgic yet new. We've explored expressive color, tactile details, and modern refinements to transform the everyday into something extraordinary. The result feels both fresh and timeless, rooted in the familiarity and craftsmanship your customers know and love.

We're especially excited about our evolving sun collection, where bold shapes and luminous hues capture the spirit of individuality and self-expression. Each frame strikes a thoughtful balance between creativity and wearability, between statement and staple. Additionally, as the response to our Progressive Reading Glasses continues to grow, we're thrilled to see more partners discovering how this category can refresh and elevate their eyewear assortment.

Thank you for being such an essential part of the Peepers story. Your partnership allows us to keep reimagining what eyewear can be, effortless, elevated, and designed to bring joy. Here's to a season of fresh perspective and everyday optimism.

Warm regards,

Alec Sammann,
CEO, Peepers

Style Meets Sustainability

As a family-run business, we're deeply invested in every facet of our company—not only our people and product, but also in building a brand with purpose at every level.

Designed for Longevity

Every Peepers frame is crafted to stand the test of time—with durable materials, quality craftsmanship, and timeless silhouettes designed to stay in rotation, not in the landfill.

Thoughtful Operations

Responsibility extends beyond our product itself—from a solar powered headquarters and distribution center to mindful packaging choices—like soy-based inks, and recyclable boxes.

Caring for People and Planet

Sustainability is about people, too—we uphold ethical manufacturing standards and invest in a thriving workplace that's earned us recognition as one of the *Best Places to Work in Indiana*.

Investing in Generations to Come

Supporting educators across the country with our *Peepers for Teachers* fund, helping empower the next generation.

Style Bee,
Page 16

THE PEEPERS DIFFERENCE

Innovation Meets Everyday Comfort

From exceptional lens technology to a comfortable fit, we've paired style with innovative features to help enhance your every day.

Blue Light Filtering

Peepers Blue Light Focus™ lenses filter high-energy visible blue light

+

Ultra-Comfortable

Spring Hinges make Peepers easy on the eyes and easy to wear

+

Clearly Fashionable

A barely-there blue light tint and a free canvas case complement your customer's style

*Measured using Yellow Index Testing among top competitor brands

THE PROGRESSIVES COLLECTION

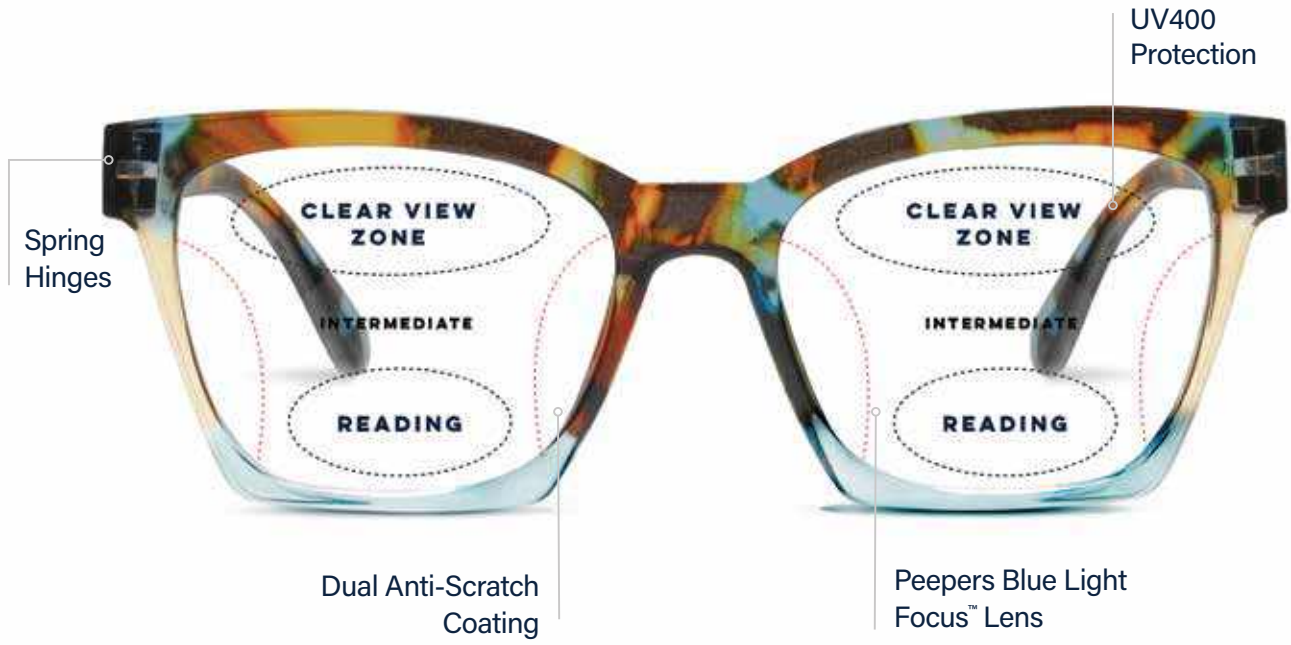

One Pair of Readers, All Day Wear

PEEPERS PROGRESSIVES—DESIGNED FOR EVERYDAY MULTITASKING

Effortlessly see near and far—without switching between glasses. Whether reading, working, or simply going about their day, Peepers Progressive Lenses allow your customers’ eyes to move seamlessly between the powers they need, without the “jump” that they might expect from other lenses.

Peepers Progressive Readers feature three distinct zones in one lens: **clear view** at the top, **intermediate magnification** in the middle, and **full reading strength** at the bottom. These zones transition seamlessly for natural vision at every distance.

The Sun Collection

At Peepers, we understand that every customer has a unique preference when it comes to sunglasses. That's why we offer a variety of lens types to suit your customers' needs.

Polarized Sunglasses

BEST FOR ALL DAY WEAR

Designed to provide stylish sun protection without correction.

Polarized lenses reduce glare, enhance clarity, and deliver vivid color.

Trend-forward design featuring gradient, solid, and mirrored lenses.

UV400 protection and anti-scratch coating.

Reading Sunglasses

BEST FOR READING OUTDOORS

Featuring corrective lenses designed for close-up tasks, these lenses offer enhanced clarity for reading or other outdoor activities.

Reading strength throughout the entire lens.

Stylish design featuring solid and mirrored lenses.

UV400 protection and anti-scratch coating.

Bifocal Sunglasses

BEST FOR MULTITASKING OUTDOORS

These lenses allow seamless transition between close up and distant viewing, eliminating the need to switch between glasses.

Hideaway bifocal lenses feature discreet reading correction on the inside-bottom of the lens.

Stylish design featuring solid and mirrored lenses.

UV400 protection and anti-scratch coating.

All styles are available in Polarized No Correction, some styles also available in Reading and Bifocal strengths.

Style **Frenchy**

Display Programs

Our display program and merchandising options complement your store's natural aesthetics, and most importantly, create optimal turns. We've even created bundled programs that make it easy to get started.

Build Your Bundle

You're the expert and know which styles will sell best in your store. We recommend three to four strengths in every style you choose including best-selling strengths such as +1.50, +2.00, and +2.50.

Flexible Presentations

We offer a wide range of counter and floor displays for our eyewear. The collection of designs is both aesthetically pleasing for your store and easy for your customer to shop.

Best-Seller Bundle

We've curated product assortments that are guaranteed to sell. Just let us know the quantity you need and we'll take care of the rest.

Free Displays

Peepers bundles come with a free display. The size of your bundle determines the display you will receive.

Terms and Conditions

Manufacturer Suggested Retail Price (MSRP)

\$32 *Reading Glasses*

\$32 *Sunglasses*

\$49 *Progressives*

Payment terms

We accept Visa, MasterCard, Discover, and American Express. For credit card orders you will not be charged until the order is processed. Net 30 terms* available upon credit approval.

Shipping

We usually ship within 4 business days of order receipt. Orders ship F.O.B. Michigan City, IN via UPS.

Backorders

We do not charge you until the day of shipment and offer free shipping on all backorders. All backorders under 5 pieces or still out of stock after 90 days will be canceled. It is the store’s responsibility to cancel standing backorders if no longer desired.

Online sales

Resellers must contact Peepers directly to review and sign our online reseller agreement. MSRP must be strictly followed. You may not sell products to any third party wholesaler or through any third party market or website, including but not limited to Amazon, eBay, Jet, QVC or Walmart.

Product warranty

Glasses that break from normal wear or are found to have a manufacturer’s defect can be returned within a year of purchase for replacement or credit. If a style is no longer available for replacement, we will replace with a style of customers’ choice (of equal or lesser value). Credits expire one year from date of issue.

*Net 30 invoices paid with a credit card are subject to a 3% fee.
