HELPING PEOPLE CONNECT THROUGH GREETING CARDS AND CLEVER GOODS

WHAT WE DO

Greeting cards, cocktail napkins, and other gift items to help you put words to those most important life moments. You can find Pretty Alright Goods in 1500+ locations across the country.

WHY WE DO IT

Staying connected is HARD. Nothing says "Hey friend, I'm thinking about you," like a handwritten note on a beautiful, hand-printed piece of paper.

WHO WE ARE

You'll find us in the heart of Raleigh, North Carolina where we spend our days writing and hand-printing cards. All of our greeting cards are written, designed, and printed on vintage letterpress machines; cut and folded by hand; and shipped out from our office.
