## WELCOME—WE'RE GLAD YOU'RE HERE.

The Fall/Holiday season centers on connection: gathering, gifting, and creating memories that last a lifetime. This year's collections draw inspiration from daily rituals like cozying up with a "must-read" book, sharing a favorite album, and gathering with friends around a table sharing food, games, and lots of laughter. The result is new pieces that feel both uniquely special and comfortably familiar.

The Ceramic Bead Wrap builds on what makes our best selling Stone Wraps customer favorites. We combined special handpainted ceramic beads with glass and brass details, creating a versatile new go-to piece.

Our Bookmark & Keychain Set ties directly into the season's inspiration. Each set includes a brass chain bookmark with a crystal accent that catches light, and a coordinating keychain or bag charm, packaged in a book-shaped box perfect for gift giving.

We're also expanding on proven categories. The new Stone Suncatchers build on a strong home assortment, using natural materials and light movement to create pieces that display well and gift easily.

Additions to the Refined Earring Collection introduce new shapes and materials, offering statement pieces that remain wearable and accessible for everyday customers.

For all new collections, we've focused on ensuring that every piece is simple to display, easy to connect with, and designed to support repeat purchasing.

Thank you for continuing to make Scout part of your store.

As always, our Give Back program remains central to what we do. We donate 10% of net profits to organizations that support women and girls, extending the impact of every purchase.

XO,

Lora & the Scout Team
