

A detailed botanical illustration serves as the background for the catalog cover. It features a variety of plants, including a large dandelion seed head on the left, a bright yellow dandelion flower on the right, and several dragonflies with translucent wings and colorful bodies. The illustration is rendered in a classic, detailed style with a focus on naturalistic representation.

The other pen is a dark purple fountain pen with a silver clip and a silver band. The notebook is open to a page with a calendar grid and lined writing areas. The text 'pens' is written in a cursive script, and 'San Remo' is written in a large serif font, both overlaid on the image.

The image is a collage of various stationery items from Bruno Visconti. It includes several notebooks with spiral binding, some with botanical illustrations of flowers and leaves, and others with nature scenes featuring dragonflies and birds. There are also pens and pencils with matching patterns. The items are arranged on a light blue and beige background. The text 'Contact Us' is written in a large, elegant script font in the center. Below it, the contact information for Michael Karyo is provided in a clean, sans-serif font. The overall aesthetic is artistic and nature-inspired.
