## Why Calypso is the Right Choice for Your Store

**Excellent value** with suggested retail prices at \$4.25 - \$5.95, including glitter and foil finish.

Cards come **cello-sleeved** which means they stay clean and the envelope remains with the card it is intended for. All cards are **barcoded by sku**.

**Header cards are available on request**, as are **re-order cards**.

- Header cards denote the occasion.
- Re-order cards are header cards with the sku written in to make re-ordering easy.

**Make your own selection or allow us to customize for your store.**

**Order at your convenience:**

- with your local rep
- from our catalog
- online at [www.calypsocards.com](http://www.calypsocards.com)
- through FAIRE using our direct link: [Faire.com/direct/calypsocards](http://Faire.com/direct/calypsocards)

**The Environment:** We adopt environmentally friendly products, such as recycled or FSC-certified paper and vegetable inks, and procedures whenever possible, while maintaining our commitment to quality. Our own publications are printed using 100% wind power. Glitter cards published by Calypso use biodegradable glitter and all our own cards, including foiled, are recyclable. Our sleeves are ♻️ recyclable.

**Our own publications are produced in the USA.** Our distributed lines come from the UK.

See our **Spring Seasonal Catalog** for **Valentine's Day, Easter, St. Patrick's Day, Mother's Day, Father's Day, Graduation** and **Teacher** cards, and our **Holiday Catalog** for boxed holiday and counter cards. Also on our website: [www.calypsocards.com](http://www.calypsocards.com).

We work with display manufacturers to make sure **you pay the best possible price, and we offset the cost with a 15% discount off the cards**, making most displays free if cards are purchased in 12s. Cards may be ordered in 6s, and in this case, the discount will partially offset the cost of the display.

**All card displays ship with a branding header sign.**

**All cards are available with pocket headers to indicate the occasion;** these ship automatically with a new display order. If you need them on an ongoing basis, please request.

**Each pocket holds one dozen cards with envelopes.** Wider pockets are available for square Curly Girl cards.

**Please see insert for details of display pricing and offsets.**

**We offer pre-selected bestseller assortments** for customers who prefer not to make their own selection.

**Please see our annual catalog from January 2026 or [www.calypsocards.com](http://www.calypsocards.com) for more display choices.**

We recommend continuing to display Curly Girl Design and Calypso Cards' other brands separately, as that will have a greater impact on your customers and result in stronger sales. To quote Laura, a Fort Myers retailer "The Curly Girl display was the best investment. It doubled our sales and customers love that they are housed together". Our recommended Icon display comes in several configurations – 18, 48, 56, 72 and 80-pockets – and the pockets can be ordered to accommodate Curly Girl Design's wider square cards, as shown here. Please see our annual catalog from January 2026 or our website for more display choices.
