

CANDLEFY

At Candlefy, we believe that lighting a candle has the power to instantly transform your mood — to calm, uplift, or inspire. That's why we're dedicated to creating premium-quality aroma experiences for your home.

Located just outside Los Angeles and Malibu, Candlefy is rooted in the heart of Southern California, surrounded by ocean views, sun-drenched mountains, rolling vineyards, and horse ranches. This natural beauty isn't just our backdrop — it's our inspiration and reminder to keep sustainability at the core of everything we do.

All of our products — candles, room sprays, and wax melts — are proudly produced in the USA.
